Update: October 29, 2004

Issue of Daemon Stopping in JP1/File Transmission Server/FTP

- Affected product

Corrective actions	Product name	Platform	Last update
HS04-005-01	JP1/File Transmission Server/FTP	HP-UX, AIX, Solaris, Linux, HP-UX IPF, HI-UX/WE2	October 29, 2004

- Problem description

A daemon may stop due to a telecommunication error when the above product is used and a port scan is being done. If this problem occurs, the JP1/File Transmission Server/FTP service will stop. To execute file transmission jobs, the server administrator must restart the service.

Revision history

- October 29, 2004: The solution for JP1/File Transmission Server/FTP is updated. Problem description is added.
- August 23, 2004: This page is released.
